Invitation: **VIII. Year of International Conference**

Road and Motorway Directorate of the CR
National Motorway Company, a.s., SR
Invite you together to join the conference

FIRE SAFETY OF TUNNELS 2019

Dear friends, business partners,

We would like to invite you to the International Conference FIRE SAFETY IN TUNNELS 2019 which will take place in the Wellness Hotel Energetic **** in Rožnov pod Radhošťem on 25th and 26th September 2019

The conference is organized by K.B.K. fire, s.r.o. with the aim of acquainting the professional public with the issue of fire safety of tunnels in terms of construction, operation, service and fire safety in road tunnels.

More information can be found soon on the website of www.kbkfire.cz in the International Conference section, where you can find the application form and the conference program for download.

Conference fee is 1500, - CZK without VAT. Partner companies have a deposit for 2 representatives free of charge.

Best regards,

Ing. Petr Bebčák, PhD, conference organizer
